

Dear Alumni Band Member,

Your membership and participation in the Sebastian River High School Band was exemplary. During your time at Sebastian River, you contributed to a program that went from ordinary to one that achieved international respect and recognition. The legacy you left lived on as new members accepted the charge and continued to "Strive for the Highest" making the Shark Band Program one of the nation's leading high school band programs.

Because of this contribution, we would like to offer you the opportunity to make music with us once again while helping to support the program! You are cordially invited to participate in the 1<sup>st</sup> Annual Alumni Band Weekend at Sebastian River High School this June. The band will perform challenging and rewarding literature and will be conducted by Mr. Allen.

Do not hesitate because you have not played your instrument recently. The weekend will be designed for this issue, though we encourage you to begin playing periodically prior to the event.
