Dear Potential Ad Patron:

The Sebastian River High School Band provides an outstanding musical experience for almost 225 students. In the school's history, the band has been widely recognized for musical excellence and has performed at national, regional and statewide events which include performances at the University of Florida, Stetson University, the Bands of America National Concert Band Festival at Butler University in Indianapolis, the Midwest Clinic, the Western International Band Clinic in Seattle, the FMEA Conference in Tampa, the CBDNA Southern Division Conference in Columbus, Georgia and other festivals in New York City, Boston, Atlanta, Nashville, Washington D.C., and New Orleans.

In addition to bringing much pride and spirit to our community through various parades and events, our award-winning marching band has earned numerous Grand Championships at marching competitions throughout Florida and Georgia. The band students are some of the most hard-working and dedicated students you will find anywhere.

The purpose of our Ad fundraisers is to provide an opportunity for individuals and businesses to partner with the Sebastian River High School Band Boosters in support of the SRHS Band Program. Ads are also a great way to send a "shout out" to your student! The SRHS Band Boosters is a non-profit organization whose sole purpose is to provide financial and volunteer support for the Sebastian River High School Band.

We offer two ways for you to publicize your business or recognize your student! You can purchase an ad that will be a part the Friday Night Football Program, our annual Prism Concert Program, OR EVEN BOTH! These ads will be seen by thousands of patrons over the course of the year! Your payment will not only help a student pay for their band related expenses and fees, but it will also help the entire band program by providing financial support for necessary musical equipment, instrument repairs, instructional materials, guest clinicians, sectional teachers, concert/festival expenses, uniform expenses, transportation, and meaningful enrichment activities that enhance the student's musical experience.

Thank you for your support!

Sincerely,

Blake Hordé
SRHS Director of Bands
